

TERMS OF SERVICE

1. ACCEPTANCE OF TERMS

By purchasing, installing, or using any GeoTrackPro Vanguard device (JC450, VL111, or others), you agree to be bound by these terms.

If you are using these devices on behalf of a company, you represent that you have the authority to bind that company.

2. SELF-INSTALLATION & LIABILITY

- **Customer Responsibility:** GeoTrackPro provides hardware and technical specifications only. The physical installation of the device into a vehicle or asset is performed entirely at the Customer's own risk.
- **Installation Quality:** The Customer is solely responsible for ensuring that the installation is performed by a qualified technician in accordance with the provided Technical Specs. Poor wiring, incorrect placement, or interference with existing vehicle systems can lead to device failure or vehicle damage.
- **Damage Waiver:** GeoTrackPro shall NOT be held liable for any damage to the vehicle, including but not limited to electrical shorts, battery drainage, or mechanical interference, resulting from improper installation.
- **Validation:** It is the Customer's duty to verify the device's functionality (LED status, signal strength) immediately after installation and before the vehicle returns to active service.

3. PROPER USE & LEGAL COMPLIANCE

You agree to use these devices only for legal purposes. You are responsible for notifying drivers or employees that a vehicle is being tracked or recorded, in compliance with your local regional laws.

4. LIMITATION OF LIABILITY

In no event shall GeoTrackPro be liable for any indirect, incidental, or consequential damages (including loss of data or loss of profit) arising out of the use or inability to use the products.
